

CERNER RESEARCH PROGRESS NOTES

- Pick a patient first, then you will get the 'Documents' tab at the very top toolbar of Cerner
- Follow the pics for snips captured for other steps (attached).
- Go to the documents tab up at the very top of Cerner (between the "Index" tab and "Help" tab) > scroll down to "options" > select Research Progress notes from left menu > add to right menu by pushing button in the middle of the screen > click Ok.
