

**Interested in Changing Clinical and Community Practice?
Dissemination and Implementation Science can help!**

We are launching a **Dissemination & Implementation (D&I) Interest Group** to advance the science of translating health-related innovations from research into clinical and community practice.

We welcome faculty, students, and staff engaged in translational research, whether you want to learn about methods, plan a study, or prepare a grant.

When: 4th Thursday of each month

 Meeting Schedule: **Feb 26, Mar 26, Apr 23, May 28, Jun 25**

 **Time:** 3:00–4:00 PM (New Mexico time)
