

March 14, 2022

Jennifer Ord, SQL/LSA System Quality Director  
Sonora Quest Laboratories  
Laboratory Sciences of Arizona  
CAP System # 7151801

Dear Ms. Ord:

The College of American Pathologists (CAP) is closely monitoring the coronavirus (COVID-19) situation as it relates to upcoming inspections. We understand that the outbreak is impacting your laboratory operations and our inspector's ability to travel. The health and safety of you and your staff along with that of our inspection teams is of utmost importance to us during this time of uncertainty. As such, we may need to delay CAP inspections beyond your anniversary date.

Sonora Quest Laboratories and Laboratory Sciences of Arizona are accredited by the CAP's Laboratory Accreditation Program. Accreditation is a continual process and all laboratories included on the attached list will **remain accredited** until otherwise notified. Accreditation does not terminate on the re-inspection due date of the CAP Accreditation certificate.

The CAP will make every effort to have your inspections completed within the expected inspection window. We will contact you if COVID-19 affects the time frame for your inspection. If your organization has measures in place that will inhibit an inspection team's access or you have any questions, please call 800-323-4040, option 1.

Sincerely,

Katherine M. Bronoski  
Manager, Production and Staff Inspection Assignments  
CAP Accreditation Programs
