Additional Items to Note
For a limited time, both legacy MyConnexxus and WCG IRB Connexxus will exist simultaneously

- With this in mind, there are a few considerations:
  - Draft submissions will only be available in the system where it was created
  - User accounts and submissions will sync between systems with a slight delay
  - All active studies and sites will be migrated from legacy MyConnexxus with proper transition. Only closed study data 3 years old or less will be migrated.
Additional Information

- All new users being transitioned from legacy MyConnexus to WCG IRB Connexus will need to reset their passwords and use the same email address to ensure access to your Studies and Sites.
- For security purposes, users must sign into WCG IRB Connexus to view any documents.
